Chaffey College Sociological Society, founding secretary, Chaffey College, 1997-98

Volunteer

Integrative Projects, 2007- present

This is a small organization developed after a sociology graduate student at UCSB, Shawn Attaie, went missing and is presumed dead. I work with his mother and other graduate students. We organized a letter writing campaign and collected signatures to force the National Park Service and law enforcement agencies in the Northern California area to perform a more thorough investigation of Shawn's disappearance/death.
